13 Colonies Practice

Directions: 1.) Label each of the 13 original colonies on the map below; 2.) Shade the New England colonies with lines and the Southern colonies with dots; 3.) Fill in the chart underneath your map with the major differences between the New England, Middle & Southern colonies. Pages 39-49 in *Civics Today* will help you!

13 Colonies

	Government	Economy
New England Colonies		
Middle Colonies		
Southern Colonies		

Choose ONE of the thirteen colonies and conduct research on your chosen colony. Answer the following questions in complete sentences:

1. Which colony did you choose to research and why?
2. When, why and by whom/what was the colony founded?
3. How was the government of the colony structured? Be specific.
4. What was the basis of the economy of the colony?
5. Provide three more SIGNIFICANT facts about the colony, and explain why each is significant.
 - a.
 - b.
 - c.
